USING THEATRE FOR CHANGE

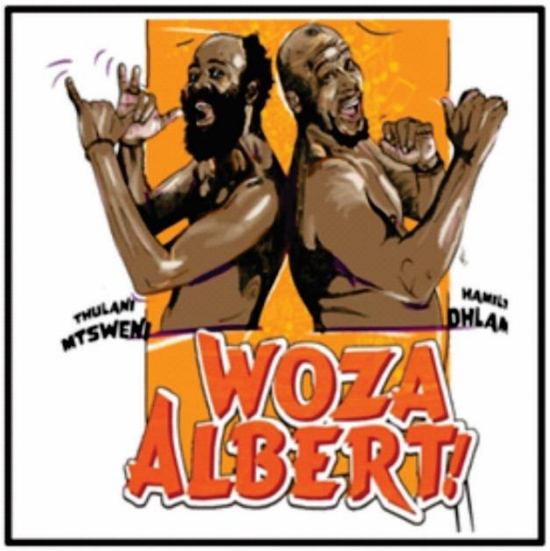

JOHN KANI: PROTEST THEATRE IS STILL RELEVANT

QUOTE OF THE DAY

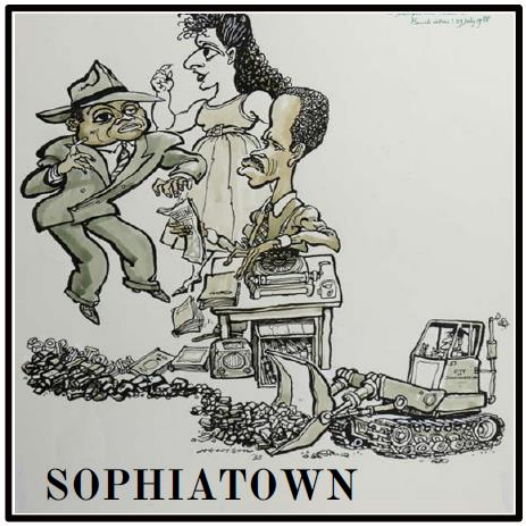

"Theatre has had a very important role in changing South Africa. There was a time when all other channels of expression were closed that we were able to break the conspiracy of silence, to educate people inside South Africa and the outside world. We became the illegal newspaper."
- John Kani

The power of Protest Theatre has been observed over many decades in the history of our country. Playwrights such as Kani, Fugard, Ngema, Mtwa as well as groups such as The Junction Avenue Theatre Company and The Vusisizwe Players have all played a pivotal role in shaping our future.
